

RESCUE CENTRAL INDIA MINISTRY (SOCIAL WELFARE SOCIETY)

Dear Friends,

Greetings in Jesus Name ! I trust that you are having a good year so far.

We thank God for Restoration Christian Ministry for prayer and support. With the clear vision and guidance from God, we have inaugurated Pathway to wholeness in central India. We invited 200 people for this historical event, but 150 people were able to attend due to for travel distance and inconvenience. Our Chief functionary (in India) Pastor Abhay Borkar and team organized this event. I gave inaugural speech and Judy Wuckert, Secretary of music department, Concordia University and Carlin Brown from department of art & science gave word of encouragement and laid the foundation with prayer over Skype and I translated in Hindi. God is doing amazing things in India.
