

Pathways to Wholeness Newsletter – June 2019

Restoration Christian

In 2011 we asked **God** for the **Nations**. *“Only ask and I will give you all the nations of the world.” Psalm 2:8 TLB*
Pastor Juan has held Pathways to Wholeness (PTW) at his Home Church, *Templo la Hermosa*, north of **Monterrey, Mexico** for over 2 years now! He continues to promote, implement and facilitate PTW in many **States of Mexico**. Pastor Luis and his wife Clara have been facilitating PTW to many in the **Province of Buenos Aires, Argentina** for over a year. Two months ago, Pathways to Wholeness began in **India!** And coming soon...PTW in **Cambodia & Chile!** Pathways to Wholeness continues to expand here in the **USA** especially with Home Groups. Pastor Aldo Suarez’s church in **Victorville CA** has 75 people attending PTW Home Groups in the surrounding communities including their **Lucerne Valley Campus** as well as the Winter Seminar that was completed at the Home Campus! We just completed our PTW Spring Seminar in **Pontiac/Auburn Hills MI** and will move back to **Rochester Hills MI** for the PTW Fall Seminar.

On the left is **Pastor Juan Manuel Casanova González**. On the right is the young man who has translated Pathways to Wholeness (Camino a la Plenitud in Spanish) into the indigenous language of the people of **Chalingo** in the **State of Hidalgo, Mexico**. This picture was taken in 2017.

On May 23, 2019, Pastor Juan along with his wife Blanca and 3 young daughters traveled 450 miles, over 11 hours, up the mountain to **Chalingo, Hidalgo** to assist the village people again with their 3rd year of holding a Day of Restoration, Healing and Freedom!

Pastor Juan met Brother Hector, an engineer from the **Mexican State of Jalisco**, who received him well when he presented the PTW Seminar to him.

Hector’s faith in God grew stronger after losing his leg, and he went to the streets to preach to alcoholics and drug addicts.

Pastor Juan knew meeting Hector was a divine appointment! Now Hector facilitates PTW at his house on Saturdays with families and many young people. He also facilitates PTW at a rescue house with 120 recovering addicts. Both groups have now completed two complete PTW Seminars and Days of Restoration, Healing and Freedom!

Mexico has 31 Federal States which officially is named United Mexican States. In 2014 we traveled to a rural area in the Mexican State of Sonora to present PTW to a group of 13 pastors. For 10 Sundays in early 2016 we facilitated PTW to 8 of those pastors in Sonora and their congregants along with our very good friend Carmen Rocha and our interpreter and friend, Francisco Carias.

After our initial December 2016 trip to Monterrey, in the State of Nuevo León, our trail blazers – Joe and Mary Alvarez from West Unity, Ohio – had 5 pastors facilitating PTW in the greater Monterrey area by mid-January 2017! Pastor Juan Manuel Casanova González was one of those pastors and he has not stopped facilitating and promoting! He declared in 2017 that his goal was to hold PTW in every State of Mexico! By the end of April 2019, Pastor Juan was responsible for getting PTW into 9 States of Mexico!

- Aguascalientes** – 1 city – 1 Church.
- Coahuila** – 1 city – 1 Church.
- Guanajuato** – 2 cities – 3 Churches.
- Hidalgo** – 3 cities – 3 Churches.
- Jalisco** – 4 cities – 5 Churches.
- Nuevo León** – 9 cities – 21 Churches.
- Tamaulipas** – 6 cities – 12 Churches.
- San Luis Potosí** – 2 cities – 2 Churches.
- Veracruz** – 4 cities – 4 Churches.

Thank you, dear Pastor Juan and family - for your energy, your love for God’s people and sharing PTW wherever you go! You are a blessing!!!!

Since February 2017 Restoration Christian has been able to support Pastor Juan monthly for fuel and the resources for the promotion of PTW because of the generous free will donations received to this ministry. In February 2019 Pastor Juan was invited to share PTW at the National Convention of the New Wine Association to be held in Cozumel, State of Quintana Roo on May 2-4, 2019. He humbly asked if we would consider an extra \$650. for airfare and 2 nights hotel. Restoration Christian promptly sent him \$1,000. for this trip. The trip was a success! The photo above shows his suitcase full of PTW DVD’s and workbooks to pass out to each pastor. Look at that happy face on the left as this pastor listens to Pastor Juan speak! The States of Coahuila and Hidalgo will have several new Churches doing PTW – and we would like to welcome the Churches in the States of Michoacán, Querétaro, Sinaloa, and Quintana Roo to PTW – Camino a la Plenitud! We are now in 13 States of Mexico-Mucho Gracias Pastor Juan!

Our associates, Pastors Aldo and Liliana Suarez translated all our curriculum from English to Spanish. They currently pastor a church in **Victorville CA** and are from **Argentina**. Last year Pastor Aldo introduced Pastor Luis (they have been friends since young boys) and his wife Clara to PTW. They have been facilitating it ever since! They live in the **City of Villa Gessell** in the large **Province of Buenos Aires, Argentina** is a **Federation of 23 Provinces** and the second largest country in **South America** and third in population. The photo on the left is Pastor Luis with his beard from a PTW Home Group they did last year.

Pastor Luis and Clara just finished the Seminar and Day of Restoration, Healing & Freedom in 3 Churches in the **City of Buenos Aires** which is 311 miles from their home. Now they are facilitating the Seminar in the **City of Mar Del Plata**, the **Town of Rafael Castillo** and their home **City of Villa Gessell**. Soon they will begin at another church in the **City of Buenos Aires** and the **City of Burzaco** – Pastor Aldo’s Home City! They love what they are doing, however, they are on a very limited income. Through the donations received, Restoration Christian is supporting their travel expenses monthly! We received this message from Luis in May: *“...together with my wife, we are dedicated to the churches and pastors receiving this grand blessing! Wherever it goes, it is transformational for all those who open their hearts to be truly free. My wife and I feel happy and blessed to be part of the team in **Argentina** seeing people restored, we thank you and your partners!”*

Each participant is *personally* presented with a workbook!

This Godly couple prints the workbooks with the new printer and ink that was donated by Restoration Christian from the financial giving of our ministry partners. Pastor Luis was born in **Chile** and has family and friends there. He is believing God to take Camino a la Plenitud to **Chile** and we are believing with him!

India is a **Federal Union** comprising **29 States** and **7 Union Territories**. Joshua Bansal, who lives with his wife Kristen, in **Milan MI**, got ahold of PTW last year and knew his family and friends in **India** needed to hear about the power of forgiveness, God’s redemptive love, thinking correctly and the keys to live a life of freedom! In January, Restoration Christian blessed Joshua with a check for \$500. to pioneer PTW in **India**. At PTW Lesson 10 in **Michigan** we asked participants to consider giving to Joshua’s request of \$700. to begin the translation into **Hindi**. Our group gave \$350, a co-worker of Joshua gave \$200. and Restoration Christian gave \$450. totaling \$1,000. for translation! Once translation is completed funds will be required to print workbooks. PTW Seminars are currently being held in the **States of Maharashtra, Odisha and Uttar Pradesh**. Joshua Bansal is from the **City of Jabalpur** and the **State of Madhya Pradesh, India**.

God heard our prayer when we asked for the **Nations!** It is so exciting to see what **God** is doing in the lives of so many throughout the **World!** Our very good friend Leti Rocha is now stationed as a missionary in **Cambodia**. Leti is taking Pathways to Wholeness to them and the finances are needed to translate to the language of **Khmer**.
