Here am I. Send me!

I heard the voice of the Lord saying. Whom shall I send? Who will go for us?

Boast Only in the Lord

1 Corinthians 1:26 - 31

For you see your calling, brethren, that not many wise according to the flesh, not many mighty, not many noble, are called. But God has chosen the foolish things of the world to put to shame the wise and God has chosen the weak things of the world to put to shame the things which are mighty; and the base things of the world and the despised God has chosen and things which are not, to bring to nothing things that are, that no flesh should glory in His presence. But of Him you are in Christ Jesus, who became for us wisdom from God and righteousness and sanctification and redemption—that, as written,

“He who boasts, let him boast in the Lord”

“He who boasts, let him boast in the Lord”

Hello my beautiful family and wonderful friends!

First, thank you for your prayers and encouragement during the last three weeks that I was ill with Dengue fever. Dengue attacks the white blood cell counts in the body... and is also known as “breakbone fever” which comes from the associated muscle and joint pains. The Lord continues to amaze me with His goodness! Believe it or not... it was a situation the Lord used to encourage me with all the love and support that I received from you my friends, my family, Holly and the girls. I was pretty much bed ridden for the first 2 weeks... I was humbled by Holly and the girls. They continuously gathered together... prayed for me, they cooked for me, made sure I was getting the right nutrition to promote white blood cells and that I was staying hydrated. Praise the Lord for His healing over me!

This last Sunday we traveled to the Village as we continue to stand in partnership with the local church... which is very small but very committed and sold out to the Lord. Please continue to pray for demonic strong holds to be broken over the area. We are going in, in unity proclaiming the land and souls for the glory of our Lord.

Back in March... Isabel, Elva, Rebecca and I came on a 2 week mission trip. During that time we came to the village and were blessed to minister and encourage some of the village women. During that visit, the Lord prompted us to pray and encourage a little girl, to look at her identity in Christ and not to compare herself with others. She was moved to tears and admitted she struggled with comparing herself and feeling less than others. This Sunday Oct 6th, during our trip to the Village... the same little girl stood up in front and lead the youth into prayer! How beautiful to see her confidence and growth in the Lord from March to this past Sunday!

This last month we had the honor of praying blessing and protection over one our girls as she is leaving the Girls House and stepping into her next season of life. She earned her Masters degree and has a great paying job. I was blessed to have her participate in “The Pathway to Wholeness” bible study I was teaching. We encountered healing and forgiveness through the Word of God as she attended the Pathway study above and beyond the daily house bible studies. Through the years in the Girls House of Refuge... she has grown to become a wonderful woman of the Lord!

The number one focus and priority at the Girls House is the daily teaching of the Word and growing in our personal relationship with Jesus. That is the only way to spiritual, physical and emotional healing and restoration. Once a girl is ready... she is given the opportunity to get an education. Proud to say, one of our other girls (we’ll call her Esther) received a vocational diploma! When Holly first took Esther in, she had experienced much abuse, was a Buddhist and didn’t know how to read. Today, she loves the Lord (she witnessed to 3 of her peers and one opened her heart to receive Jesus) got her high school diploma and now a vocational diploma! Everything is possible with the Lord!

Lastly, update on Nora. After paying and applying 3 times for a US visa, which seemed like an impossibility... the Lord opened the right doors and brought the right connections... So as I sit here and type this newsletter, Nora is in the states traveling with Holly, Narian, Victor Marx and his team (All Things Possible)! Prayer is powerful!

“He who boasts, Let him boast in the Lord”...

Let us boast in the Lord!!

With a thankful heart, Love in Christ!
