Pathway to Wholeness - India

Dear Prayer Partners,

We thank God for the incredible work he has done in last year 2019. Once again, we want to thank you all for your prayer and financial support, without it we could have not done this. God enabled us to conduct seven pathways to wholeness seminars in different parts of India in 2019, through these seminars we could able to reach around 300 hundred people for Christ.

Through your prayer and guidance of God we could able to finish our translation work Pathways to Wholeness Seminar book in Hindi language. Hindi is the national language of India; we strongly believe that God is going to transform many lives through this Hindi translation work. Today officially we are going to hand over Hindi translation work to Restoration Christian Ministry.

This year we are going to start one month summer bible school. We ask God to give us 10 committed students for bible school, but God is giving us more than what we asked him. We had received 18 applications for the training. We are going to provide them food, accommodation, notebooks, Bibles and qualified professors. Through this training students will learn basic knowledge of the bible, spending more time in prayer and learning method of doing evangelism in their own community. After the training students will be able to communicate & answer the question of Hindus, Muslims and Buddhist .

Please we request you to pray and financially support for summer bible school and to print Pathways to Wholeness Seminar Book in Hindi. No matter how big or small gift you are giving for the Lord gift is a gift, each one must give as he or she has decided in his or her heart, not reluctantly or under compulsion, for God loves a cheerful giver (II Corin-thian 9:7).
