Traveled back to Cambodia with our newest member *GINGER*  
Made it out of quarantine in time to celebrate Holly's birthday at home with the girls ----->

Hello my dear Friends and Family,

Thank you for your faithful prayers and support. We made it back to Cambodia, we landed February 25th... had a mandatory 14 day quarantined at a government designated location. Your prayers really helped us get through. On the 13th day of quarantine we were scheduled to get another covid test... well, the night before Holly had a high fever, shivers and diarrhea. Prayer request was sent out... you/we prayed and by the grace of God, the fever went down. We got tested, the results came back negative and we were home with the girls by Friday March 12th... in time to celebrate Holly's birthday on the 15th.

We brought a new member with us... *Ginger*. She's a military trained Belgian Malinois, gifted to us by Victor Marx at All Things Possible. Besides being trained protection... she is amazing with the girls. She loves women and children. Bringing *Ginger* to Cambodia almost seemed like an impossibility. The first attempt to get permission to bring her to Cambodia was denied... but with much prayer, the Lord cleared the way in His perfect timing. Lol... actually, it was at the very last minute when we were at LAX... His timing is perfect.

While in America, we took in another little girl *Grace*. Not very sure about her age but she looks to be around 7 years old. She was rescued from being trafficked in the streets. We are working on getting some official documents for Grace so we can put her in school. She is a tiny and cute little girl... she's the one with the bangs in the above picture... the other little cutie is *Sarah*. That picture was taken during Holly's birthday celebration... not only did we celebrate Holly's birthday BUT also got to celebrate and praise the Lord for the arrest of the pedophile monster that attacked little Sarah. He is in jail right now waiting for a court date. PRAISE THE LORD!! Thank you for praying!

*“For the eyes of the Lord are on the righteous and His ears are attentive to their prayer, but the face of the Lord is against those who do evil.”*

*John 9:31*

Currently, Cambodia is on lock down. The churches and schools are online only... so all the girls are home from school. This is giving us a truly wonderful and unique opportunity to continue to fan their spiritual fire.

God is doing beautiful things at the house. We have 4 girls that we are cultivating into leadership roles within the house/ministry. I've started to meet with the girls prepping, them for a leadership class I will be teaching once a week. Along with that, I will be meeting with the director of a powerful ministry that is in the heart of the land fill... his name is *Rin*. He has asked me to teach the children's teachers/volunteers how to teach kids the bible. I'm honored and humbled. Once we are able to officially gather in large groups... some of our older girls want to serve in the ministry God has given Rin. I've included a few pictures in the first page of Rin with some of the children from the landfill. Rin actually has over 60 families that he ministers to... God is doing spiritual AND physical miracles of salvation, drug addicts and demon possessed people being set free and physical healings in the body... lame people being able to walk. God is pouring out His Spirit on all people! Hallelujah!!!

## RAYER REQUESTS

### Please pray for

- Cambodia... that hearts of the people continue to be open to receive the truth of the Gospel.. salvation
- Continued prayer for Nora's case as we wait for a court date. For the hearts of the judges to be turned and give the proper conviction and sentence.
- Favor and wisdom with little Sarah's case. Her attacker is in jail waiting for a court date.
- Also, we have a little 7 year old girl (we'll call her *Brianna*) from the village that we were supposed to bring into the house... but people in high places in the village made a decision that is not in this little Brianna's best interest. We believe her well being is in danger. Please keep her in prayer for protection and for God's perfect plan for her life. Our hearts desire is that we would be able to bring her here with us at the girls House of Refuge.
- I ask for prayer for wisdom, endurance, favor and grace... as I have taken additional functions here at the house caring for and raising the younger girls and mentoring and discipling the older girls for leadership roles. I've been working on putting systems/routines in place for the house hold. I love it...its a privilege and I need to continue to hear clearly from the Lord... I want to do it God's way.
- Overall prayer for protection, guidance, favor and wisdom for Holly, myself and our girls in leadership. Also for our health and strength

Love you all so much!! Thank you!
