Making memories in our new house as we celebrated my birthday

Hello my beloved friends and family...

Praise the Lord!! We are all moved in and settled in our new house. Thank you for your prayers... we had been praying for over two years for a bigger house. God answered our prayers... not only is this house bigger, but more beautiful than we could have imagined! It's an amazing feeling to know that as the Lord continues to bring us more of these precious girls, we will be able to provide them with a safe environment...and share the Gospel of Jesus Christ, His love and His Word.

The court yard is paved with tile that goes around the house. In the old house we would take the girls for a bike ride around the neighborhood, which wasn't the safest but it was an activity the girls really enjoyed. Now we don't need to leave the house because with the size of the courtyard... the girls are able to ride their bikes, play badminton and are able to just fellowship outside freely, it has been a sweet blessing to add doing worship outside. We also have a beautiful spacious living area... the other day during free time... I put Veggie Tales on the TV for our little girls... I stood back watching them... carefree laying there, on their rug... being little girls. I was overwhelmed by Gods' goodness and filled with such gratitude for this amazing miracle... the little girls didn't have a worry in the world. They felt safe... just there... watching Veggie Tales!!

Thank you Jesus!!

“Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord,

“He is my refuge and my fortress, my God, in whom I trust.”

Psalm 91:1-2 NIV

After we found the house, it took another month before we signed the lease/contract. It's truly a miracle. The landlord presented a one sided... really bad contract (for us). Holly, Rotana(a local pastor helping us with negotiations) and I negotiated for a solid 3 weeks. The landlord would agree to change something we requested but then would add a clause somewhere else that would counter the change. Finally, after many prayer meeting with the girls and many of you praying in agreement with us regarding the house... we came to the conclusion that maybe this wasn't what God had for us, even though we loved the house and had felt like the Lord had led us to pursue it... but felt *maybe we missed it*. So we prayerfully texted the landlord and called Rotana. We thanked the landlord for his time and sadly we weren't going to be able to move forward. We had a night of worship and thanked the Lord for possibly protecting us from a bad situation. Even if we loved this house and we were sad... our trust is in the Lord and prayed that He would open the door for us to get the right house.

Rotana called us early the next morning. The landlord had called Rotana... the Lord changed the landlords heart. He offered for Holly and I to write the contract and that he would honor it the way we wrote it up. Cautiously and prayerfully, we worked on writing a fair and balanced contract...took us 2 days. Once we had a final draft, we prayed over it sent it out. Praise the Lord... he said it was a good contract. We met him a day later to sign the lease/contract! He showed up with 2 of his lawyers... Rotana, Holly and I showed up with ours... the Holy Spirit!

The whole house is praying and excited to see who the new girls are that the Lord will bring to the house... to be ministered to and be showered in the Love of Christ!

PLEASE PRAY FOR:

- Please pray for Nora, she just had her surgery for her knee (ligament repair). She's been praying and needing it for a long time, pray she heals quickly, she is believing to be up on her feet in a month.. Let's pray with her.
- Continued favor with the government officials and other NGO's... the Lord is prepping the way to reach more young girls and women.
- We need Gods wisdom everyday in raising the teenagers.
- We are prayerfully looking into homeschooling the little girls and the teenagers. Right now they are doing school online. The teachers teach through "Telegram". Unfortunately Telegram gives access to other online discussions... like unrelated chat rooms... By the grace of God we were able to intervene two of our teenagers who during their school time where switching over between school and chat rooms... dangerous chat rooms. Really, God is so good... His great mercy and protection.
- Continued protection physically and spiritually over Holly, myself and the girls.
- Please pray for safe traveling. I leave this week to visit my US home... for a month. While in the states there are a few things I have to get done... like... renew my drivers license (it expired this month on my birthday)... also, I will be able to attend my family reunion. Please keep Holly and the girls in prayer, they will be filling in for me with some of the admin work. I'll be doing as much as I can while I'm in the states.

Thank you so much for your faithful prayers and support!

Love you so much!! God Bless You!!
