Greeting my Friends and Family :)

It has been quite a year already. We've experienced and continue to experience miracles... miracles of healing, restoration, favor and blessings. However, along with that... we've also encountered some rough patches. There are a few active situations that I'm not permitted to share details about... but please know that your prayers are strongly needed for justice, favor, protection and wisdom.

What I can share... lol... is... in January I had and now recovered from Dengue. It's also known as the "breakbone fever". It's a mosquito-borne infectious tropical disease. There are four strains of dengue in Cambodia. A person can only get each strain once. For me, this was the second strain... in period of almost three years. The first time I had it... I couldn't get out of bed for almost a month. I am grateful to the Lord, this time around was a speedy recovery.

PRAISE REPORT: *Grace (our 9 year old) had her FIRST day of school... for the VERY FIRST time in her life! During this time last year in November we took Grace in. She was rescued from being trafficked on the street. She was a lice infested, broken little girl... traumatized... alone... and uneducated.*

UPDATE: *Grace and Sarah are excelling in school. Out of 30 kids in their class, Grace ranked 10th and Sarah ranked 3rd! That is a great testament to " We can do all things through Christ who strengthens me"!*

PRAYER REQUEST: We took in a young teen age girl "Abi". She has been through so much and very traumatized. She was brutally violated by four thugs in her village. Please keep her in prayer for healing, salvation and restoration. Please keep us in prayer for favor as we start the legal process to go after the four thugs. **UPDATE:** *The officials in Abis village have taken over the case. They took out arrest warrants for the four guys! This is a MIRACLE!!! It is now safe for Abi to go back home... she was reunited her with family in January! There was deep healing in Abi that took place for the few months she was with us! She asked Jesus in her heart... she experienced His tangible presence. She will never be the same! Praise the Lord!!*

PRAISE REPORT and PRAYER REQUEST: We had a court date for Sarah's case the third week of January. It was traumatic for her to face the pedophile. She cried a lot. After sending out a prayer request and many of you locking arms with us in prayer... the Lord totally covered her with courage! By the time she she got up to testify... you couldn't even tell she had been crying. She spoke clear, honest and precise! The prayer request is for the verdict to come back guilty with the max time of 14 years in prison for the pedophile. Justice in Jesus name!

Annabelle is our newest beautiful 13 year old little girl... she's been with us for a month now. Rescued from being trafficked by her biological mother and older sister. After being at the Girls House for a week, joining us for our daily bible study (we have two bible studies a day), after one of the Bible studies... she came up to us and said that she wanted Jesus to be in her heart!! Wow!! She's really precious and continues to grow in her relationship with the Lord. God is doing a quick work in her. **PRAYER REQUEST:** Her mother is trying to regain custody. We're asking the Lord to give us full and permanent custody of Annabelle. She wants to... and we want to send her to school.

I truly thank you for locking arms with me/us in prayer. Daily we see and experience such sickening and evil things done to children and young girls... but it's amazing to know, feel and witness your prayers reaching the throne room of God and see miracles happen. With my whole heart, I say thank you!

Please continue to pray for protection, wisdom, favor and emotional, physical and spiritual strength.... for Holly, myself, the leaders and the girls. Also, If I may humbly ask to please keep my family and Holly's family in prayer.

If you ever need someone to be in agreement with you for a prayer request... please, don't hesitate to send me an email. Or if the Lord gives you words of encouragement for me/us... I'd love to hear from you.

The Lord Himself goes before you and will be with you; He will never leave you nor forsake you. Do not be afraid; Do not be discouraged.

Deuteronomy 31:8

God bless you!

In Christ,

Leti
