Organizing the meds and vitamins for Holly and the 12 girls that got "Rona". →

← My official badge in Cambodia for being part of an N.G.O. (non government organization). The Lord has given us so much grace and favor with "The General". He's a high ranking government official

This is Abi... she was brought to us extremely traumatized. Abi was brutally raped by four men. She is safe now... with us here at The House of Refuge. We have been able to bless her family back in the village, weekly with some provisions →

Hi beloved Friends and Family,

Thank you for praying... my travels back to Cambodia were about as smooth as could be. Praise the Lord! Quarantine was long... 14 long days. BUT, knowing what I know now, I 'm really glad I had that time to rest and to get over jet-lag... because only God knew then, that I was going to need all that rest for what I was going to encounter at the house...

...The very first day I was back at the house, one of the girls test positive for "Rona"! It didn't stop there... for the next 3 weeks, starting on Oct 17th... 12 girls plus Holly all tested positive. There was a little struggle at times, because fear and weariness tried to sneak in. We knew it was the enemy throwing those fiery darts. We chose to stay focussed on our beautiful Lord and Savior... to worship Him deeper, praise Him louder and pray continuously! By His grace, as of November 7th... everyone is in the clear. Hallelujah!!! One of the girls has a slight lingering cough ( but we're getting that treated ). We're also thankful because having this bigger house, we were able to use the second and third floor as the quarantine/healing area. We were able to tend to all the girls daily. Making sure they had their meds, vitamins (three times a day), that they stayed hydrated and that they were eating. Thank you for your prayers! They meant so much to me/us... and thank you for the words of encouragement sent during this time ( via email )!

**PRAISE REPORT:** *Grace* ( our 9 year old ) had her FIRST day of school... for the VERY FIRST time in her life! During this time last year in November we took *Grace* in. She was rescued from being trafficked on the street. She was a lice infested, broken little girl... traumatized... alone... and uneducated. Because of the country being locked down this last year and a half... we were able to really focus on teaching *Grace* how to read, write and do math... ( it goes without saying the first priority was her healing and restoration ) We enrolled her in a private Christian school... she tested in the appropriate grade for her age! I Sometimes get overwhelmed with emotion when I reflect on how God rescued *Grace*! I can't imagine how she must have felt... while being trafficked, to see kids in their uniforms headed to school... she never imagined she would be able to experience going to school, having a safe and loving home... and most importantly to experience Gods' love... salvation... hope and a future! Thank you Abba!!!... for pouring out Your love and mercy!!

**PRAYER REQUEST:** We took in a young teen age girl "*Abi*". She has been through so much and very traumatized. She was brutally violated by four thugs in her village. Please keep her in prayer for healing, salvation and restoration. Please keep us in prayer for wisdom, protection ( spiritual and physical ) also for favor as we start the legal process to go after the four thugs. They paid off the local police... so they're currently living life, without a care in the world... little do they know that justice is coming! In Jesus mighty name! Amen.

## RAYER REQUESTS

- We're praying healing and salvation for "The General". He is a high ranking official here in Cambodia... he's been a great advocate for us during the trial for Nora. He is also a covering for us here in Cambodia... The *House of Refuge* is registered under his N.G.O. ( in country ).
- For little Sarah's case, that we will get a court date soon. The pedophile is still in custody as we wait for the court date.
- For Holly, the leaders and I... please pray for continued strength... emotional, physical and spiritual.
- I need prayer for wisdom from the Lord in training up and guiding the teens and the little girls ( Holly had asked me last year if I would be willing to take the lead with the teens and little girls ). It's been a blessing... but definitely need a lot of wisdom.
- *I will give thanks to the Lord because of His righteousness; I will sing the praises of the name of the Lord Most High.*

*Psalm 7:17*

I truly appreciate you!

Love In Christ,

*Leti*
